

# 10 GREAT REASONS TO JOIN THE UNL

## STUDENT AFFAIRS GRADUATE PROGRAM:

1. The Vice Chancellor is our adviser...the Assistant Vice Chancellor is our program director...the former Vice Chancellor is our teacher...we are in good hands
2. Weekly 1-credit hour seminar in the Green Room (which, ironically, is painted blue) in which student affairs directors talk candidly with us about their jobs
3. Opportunity to complete at least three different paid assistantships in student affairs (three different supervisors=better odds for those future reference letters)
4. By day 3, any other member of the cohort can introduce you in your absence, including your name, hometown, undergraduate major, current and past assistantships and career goals. They could probably also embarrass you, but they wouldn't want to face the payback
5. 100% job placement rate=no more Ramen instant noodles
6. You'll be the most interesting person at the party. Seriously, what other career path could you choose that would take you 7 minutes to explain?
7. Multitude of opportunities to hang out with student affairs directors, deans and other campus VIPs
8. Student loan debt is no fun-that's why our students receive full tuition waivers and a hefty monthly stipend
9. Choice of online or face-to-face course instruction from highly respected faculty members who are passionate about student affairs
10. Small classes allow you to establish close-knit relationships with professors

For more information, please contact the Office of the Vice Chancellor for Student Affairs:  
106 Canfield Administration Building  
University of Nebraska-Lincoln  
Lincoln, NE 68588-0423  
402-472-3755
